16.3.19.

It is came to notice and afterwards informed by Dr. Chhabisha that almost 13 students did not attend Dr. Chhabisha's lecture (9.30 to 11.30). These students were roaming here and there and then at 12.00 noon all were present (except 4-5 students) for their practical.

On enquiry it is found that (according to students) some went to OPD and rest of them have no obvious cause.

Students are called, and when not satisfied with their answer, suspended for 10 days, unless their parents are coming.

By that time I terminal result is graded and students are informed to call their parents for who failed in all subjects or passing in one subject only. Accordingly Friday (22.3.19) is finalised for teacher-parent meeting.

Suspended student may call their parents beforehand also. We will merge both the things together.

Date: 8.10.18

Informed Motiwala Sir about very poor attendance of students at remedial class. Students are not at all interested inspite of repeated counselling.
