Proceedings –

1. _On the basis of performance at terminal examination, students are catagorised in THREE levels Advanced Learner , Average Learner and Slow learners.
2. For this catagorisation a policy is made and approved.
3. At initial phase parents of Slow Learners are only called.
4. Assessment of student work is recoded and kept ready to discuss with concerned parents.
5. after discussion with class representative and class coordinator, a specific date and time is fixed for parent-Teacher meeting.
6. A meeting note, in format of message, is sent to all concerned parents.
7. Agenda is prepared and displayed on notice board
8. All necessary arrangements are done.

9. During the meeting time, academic records are shown to the parents and simultaneously strength and weakness of the said student is discussed.
10. Parents are provided different suggestions for academic activities of students to support learning at home and institution.
11. Parents ,who did not able to attend the meeting, are to be contacted separately and according to their convenience specific date and time is settled.
12. Meeting is concluded with note of Thanks.

Discussion Done on –

- 1. academic issues related to concerned students**
- 2. some behavior related issues for specific students.**

Parents started coming from 8.30 only. Few parents came on 10 th March and subject teachers attended them. All most all the parents appreciated the effort of instition for conducting such type of meeting at college level.

Two students having some behavioral problem and they are very rude and ill social with their friends and even teachers. Rrents are informed and a long discussion done with their parents to reach the root cause. Parents assured to take care of this and mentors are also requested to handle these students care fully and with sympathy.
