

Motiwala (National) Homoeopathic Medical College & Hospital ,  
Nashik

The Registration Certificate Of The Institution

**Note:** This act although significant, has not implemented uniformly in all the states (also not implemented in Maharashtra) . As we have the students of other states also in the institution that is why institution has made this as a part of value addition to the curriculum for FMT . We also get students (15% quota) from out of Maharashtra state
